M In addition to the rail services shown to and from Sunderland operated by Northern Rail, connections are also provided by Metro. These trains depart from and arrive at Newcastle Central Metro located within Newcastle Central Railway station. Metro trains run at frequent intervals with up to five trains an hour at peak times, journey time is approximately 30 minutes.

LNER services are shown in bold and connecting trains are shown in light text.

An 'a' next to a connecting location shows the time you will arrive at that station.

A 'd' next to a connecting location shows the time you will depart from that station to connect with our train.

Unfortunately. It's not possible to delay our trains for late running connections, or for other train companies to wait at connecting stations.

For those travelling First Class.....
