* Use your reusable travel cup and we'll take 25p off the cost of your drink, meaning we can send less waste to landfill and you can enjoy a cheaper brew. For safety reasons your cup and lid need to meet a given specification – if you're unsure, ask one of our onboard team.

We will always strive to ensure that selected hot products are available all day, every day and on every train – although there may be occasions where circumstances beyond our control mean that this isn't possible.

If you suffer from an allergy, please check all food product labels before consumption.

VAT still applies to food on the move, so we've included it in our prices.

If you are lucky enough to look under 25, please don't be offended if we ask you to prove that you're aged 18 or over when you buy alcohol. If you are under 18 you are committing an offence if you attempt to buy alcohol.
