BUS Rail replacement coach service

Industrial action

Due to Industrial Action taking place on Saturday 30 September, we will be running an extremely limited timetable.

Planned engineering work will also affect services and LNER trains will start and terminate at Newcastle.

For those travelling North of Newcastle, there will be limited alternative travel options and most other rail operators will not be running any services at all.

LNER Rail replacement coach services will connect customers between Newcastle and Edinburgh (and intermediate stations on our route) and a small number of trains will run from Newcastle to Edinburgh via Carlisle. Journey times will be considerably longer.

Our first services will start much later, and our last services will finish much earlier than usual.

We will also be unable to serve many of our usual destinations.

Please check your entire journey before you travel.

See timetable for further details.

There may also be timetable changes on the days either side of the strike days.

Timetable information is correct at the time of publication but may be subject to change.

Up to date information can be found at:
